EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura, CPI:8.16	June 2027
Intermediate, Gayatri Public School, Agra, 79.6%	May 2023
High School, Gayatri Public School, Agra, 92.6%	May 2021

INTERNSHIP/ TRAINING EXPERIENCE

Meta Front-End Developer Professional Certificate – Coursera	August 2025
- Applied HTML, CSS, JavaScript, and React to develop responsive, accessible, SEO-Friendly user interfaces. - Designed and implemented Skills Tracker (Gamified Learning Application) featuring progress tracking, points, and achievement badges. - Utilized Git/GitHub for version control and collaboration workflows.	

PROJECTS

ShareCare: Multi-Resource Donation Platform	https://github.com/Gauravmittal9205/Multi_Resource_Donation	Dec 2025
- Developed a multi-resource donation platform connecting verified NGOs and donors - OTP-based two-step authentication to ensure secure and trusted user access - Built an admin dashboard to approve NGOs, validate donation requests, and assign donors - Enabled transparent donation tracking for resources like food, clothes, books, and medicines		
UniMate: Roommate & Housing Matchmaking Platform	https://github.com/Akshat9205/UniMate	Jan 2026
- Designed multi-step preference forms and secure backend workflows to personalize recommendations while ensuring data privacy - Engineered an ML-based roommate matching system using preference weighting and similarity scoring to recommend compatible matches		
Skills Tracker	https://github.com/Akshat9205/Mini_project	Sep 2025 – Nov 2025
Implemented a learning tracker with XP points, streak system, badges and leaderboard.
